

Success starts with the goal

The Essence

The Mission – Break down the walls. Find your emotional connection and relationship with money. See where your values, beliefs and the emotional connections come from. Now, by solving and evaluating this from the root, we can start to change you current situation and not just not the see the symptoms. Use the energy of *yogic and life* principles.

Do you want to make a change? Take 10 with M.A.S.T.E.R.MI.N.D.

1. MONEY: The NEW flow of currency	Recognize a new economy is being created based on situations that are more than the flow of paper money
2. ATTITUDE	Create positive experiences that help unblock the flow of money.
3. SUCCESS	Connect with family, friends and neighbours. Build community, network, share, and thrive together.
4. TRANSFORMATION	Consolidate. Live simply. Declutter.
5. ENERGY	Recognize that money is energy.
6. RESTORATION	Work with and for people who support you and bring joy to your life. When you are happy, truly happy – the energy flows
7. MANIFESTO	Uncovering and tapping into your extraordinary uniqueness.
8. INSPIRE	Life affirmation that takes you on a journey to live more consciously, activating your authentic voice, deep in your body, mind and heart
9. NATURAL ENVIRONMENT	Consider the health of the world – reduce, reuse, restore, recycle to work for you in all that you do.
10. DANCE	Reclaim balance and harmony – rediscover what is important in all that you do.

“What affects your mind also affects your body.”

The Vision - Is to create emotional and spiritually whole people; who understand why they behave this way. So they can change what they do with their money. This way we can help you find practical and spiritual resolutions with simple solutions.
